BFA IN PRINTMAKING

Montserrat College of Art
2005 - 2010

INTERESTS

Fly fishing | Outdoors | Social Activism
Conservation | Tolkien | Dog Training

PROFILE

I am a junior software engineer seeking my first development role. I completed General Assembly's boot camp earlier this year and would like to find a company I can contribute to and grow with. I am a fast learner who prides themselves on creative problem solving, attention to detail, and adaptability.

DEVELOPER PROJECTS

GRUBBR

MERN - Foodie Social App
<https://grubbrapp.herokuapp.com>

- Social app built in 5 days as pair-programming and group programming project
- Implemented full CRUD with RESTful principles in a MongoDB, Mongoose, and Express API backend
- Connected React.js client to backend and designed React Router layout, built function components
- Managed pull requests and merges as Git manager and project lead

PRINT MANAGER

MERN + GraphQL Project and Workflow App
<http://print-shop-manager.herokuapp.com>

- Built Node, Express, GraphQL server connected to a MongoDB database with 4 model ERD
- Built React, Apollo GraphQL front-end client
- Exceeded requirements of a full stack application with a new technology learned on our own, full CRUD on two models, interactivity and styling

EXPERIENCE

INSTRUCTOR ASSOCIATE

General Assembly

Feb 2022 - Current

- Invited to join GA as I graduated the boot camp
- Assisted lead instructor with various administrative tasks: attendance, grading, student correspondence
- Assisted students with debugging, technical issues, wireframing, ERD construction
- Led lessons on Javascript functions and function scope, MongoDB relationships, React state and state lifting, and Big O notation and usage

PRODUCTION MANAGER

Diamondback Wraps

Oct 2019 - Aug 2021

- Designed and furnished print production area
- Built production schedule and operated all print and finishing equipment
- Led installation team and assisted on installs, led hiring for installation and production departments
- Designed vehicle wraps, signage and murals
